TC America joins with the Lake Mirror Classic as a Special Display

The Mercedes-Benz Lake Mirror Classic has become one of the premier automobile shows in the southeast. The display of more than 400 vehicles on and surrounding the restored 1920's, art deco inspired Lake Mirror promenade in downtown Lakeland, Florida, annually draws 35,000 spectators.

LAKE MIRROR CLASSIC OVERVIEW

Along with a designated **Honorary Chairman** and a **Featured Display** each year there is the **Concours d'Elegance**: The premier element of the Lake Mirror Classic is Saturday's Concours d'Elegance, featuring a selection of 100 cars. This is presented along and adjacent to the promenade. Previous shows included illustrious examples of prewar and postwar classics – imported and domestic, unusual, sports cars, and race cars driven by Brock Yates, Stirling Moss and Bobby Allison, each one an honorary chairman these last three years.

The **Downtown Show**, on Saturday, is a widely diverse display of several hundred cars presented on the streets of Lakeland. The downtown show includes a display of new cars as well as sales areas, local shops and food vendors catering to the needs of those desiring food and souvenirs.

Several **Car Clubs**

year **TC America** has been invited to attend. Our **2009 TC America Annual Meet** will run concurrently with the Mirror Classic.

"We'd love to have you with us! We have hosted many such groups in past years and they've all enjoyed the event as much as we've enjoyed having them. Please make plans to have your group attend. We will consider your group of cars as an event within our event, with special display area for your registered cars. I will be happy to assist you and your group in anyway possible.... Whatever you need, just ask."

Regards,

Ginny Askew, Event Coordinator
Lake Mirror Classic

There is much more than simply displaying our cars at the Mirror Classic on Saturday and a TC America Event schedule for October 16-18, 2009, is forthcoming as time approaches. You can expect an informal **TC** gathering on Friday evening, our own awards banquet Saturday evening and a road rally Sunday morning ending at the Bok Tower and Gardens in Lake Wales, this the beginning of our South Florida Road Trip, the 1000 Miglia- Mille Fiori. October 18-24, 2009.

It is important to register, attend, display and celebrate our **Chrysler's TC by Maserati** events in this year of the 20th anniversary of production. Questions? **Ted Morningstar**, TC America Regional Dir. 239-489-3787/ tedmstar@aol.com

Remember - "Show" car or not, what is good and best is to simply "Show" up!
